

# Fudan-Latin America University Consortium (FLAUC)

## CALL FOR PAPERS

**Development and the National Middle-Income Trap: China-Latin  
America experiences  
November 9, 2018  
Universidad del Rosario  
Bogotá, Colombia**

The Fudan-Latin America University Consortium (FLAUC) is pleased to announce a call for papers for “Development and the National Middle-Income Trap: China-Latin America experiences,” a conference to be held at Universidad del Rosario, on Wednesday and Thursday, November 8 & 9, 2017.

With this conference, FLAUC aims to promote research and academic discussion on issues related to the experiences of development in China and Latin America and their impact on society. Proposed themes include models of development, historical and geographical perspective of development, macroeconomics, public policy, business environmental, multinationals and development, human resources, innovation and development and international development cooperation.

All participants will be required to provide a draft of their conference paper before the conference to allow discussants adequate time to prepare their comments. Papers must represent original work not already published or in press.

Participants are invited to submit their paper for consideration for the edited book. This book will be indexed in a double-blind peer-reviewed process and will publish in English in a prestigious academic international editorial.

The Fudan-Latin America University Consortium (FLAUC) is a platform for cooperation between universities and think tanks to promote friendly and mutual trust and promote multilateral exchanges and interactions. Fudan University of Latin America University sponsored by Fudan University and to Argentina, Brazil, Chile, Columbia, Mexico, Peru, 6 countries 12 universities issued initiative. The initiative aims to establish the platform for cooperation and communication between the Fudan University and the Latin American well-known universities and think tanks, through the establishment of the union, to promote both sides to establish long-term cooperative relations with academic conferences, teachers and students to exchange and research cooperation, promote in-depth exchanges, promote high-end dialogue.
